

Western Screech-Owl Surveys

Region ID: SC / VI / BI / CI Transect ID: _____ Year & Start Date: _____ Visit #: 1 / 2 / 3 / 4
 Protocol: _____ Surveyor Institution: _____ Bat Data Collected: EMT / NABat / None

| Station ID | Date Start <small>(DD-MMM-YR)</small> | Time Start <small>(HH:MM - 24hr)</small> | Temp <small>(°C)</small> | Wind <small>(beaufort)</small> | Precip <small>(0-5)</small> | Cloud Cover <small>(%)</small> | Moon Vis <small>(circle)</small> | Light Level <small>(0-5)</small> | Noise <small>(1-4)</small> | Traffic Count <small>(#)</small> | Time End <small>(HH:MM - 24hr)</small> | Observers <small>(3 letter codes)</small> |
|------------|--|---|-----------------------------|-----------------------------------|--------------------------------|-----------------------------------|-------------------------------------|-------------------------------------|-------------------------------|-------------------------------------|---|--|
| | | | | | | | Yes / No | | | | | |

Station Notes (e.g., light or noise source):

| Species | Sex | First detection | | Distance Bin (1-5) for Each Time Frame | | | | | | | | Visual Detect <small>(Yes/No)</small> | Vocal Act./ Breeding Evidence <small>(Heard, Seen only, Courtship)</small> | Observation Notes |
|---------|-----|--------------------------------------|---------------------------------------|--|----------------------------------|------------------------------------|----------------------------------|------------------------------------|-----------------------------------|--------------------------------------|------------------------------------|--|---|-------------------|
| | | Direction <small>(NNW,SE)</small> | Survey Time <small>(MM:SS)</small> | 0-1 min <small>Silent</small> | 1-2 min <small>Silent</small> | 2-3 min <small>Playback</small> | 3-7 min <small>Silent</small> | 7-8 min <small>Playback</small> | 8-12 min <small>Silent</small> | 12-13 min <small>Playback</small> | 13-17 min <small>Silent</small> | | | |
| | | | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
